That works for us, too. I'll send a meeting invite so it's on our calendars.

Rob,

That works for AECOM.

Okay, I assume this needs to be a discussion with CDM and LBI? Could you suggest a day/time? I'm available today other than 11:30 to 2, tomorrow before 11, or Friday other than during our RM 10.9 call.

Thanks

Okay. Just to make sure -- you saw the email I sent you on November 6th, right? Do you want to discuss this?

We still need to discuss Comment 58 ...

I heard from Chuck

-- He's not available the week of January 1st. Would January 7th or 9th work for you?

-- He'll review the fish catch from the background sampling this week, so we can probably discuss the week after Thanksgiving.

Another question -- what's the status of the HV CWCM QAPP?

Thanks
